April 7, 2025

Daniel Farber Huang
Principal Photographer
Huang Menders Meridian

Dear Mr. Huang,

On behalf of the Global Health Colloquium at the University of Illinois Chicago School of Public Health and the Colleges of Medicine, Nursing, Applied Health Sciences, Pharmacy, Dentistry, and Social Work, I would like to thank you for participating in the UIC Global Health Colloquium Exhibit Launch for *The Power of Faces: A Look at the Global Refugee Crisis* on April 7, 2025. Additionally, I would like to thank you for granting us permission to display the photo exhibit at the School of Public Health for the duration of National Public Health Week.

We deeply appreciate your willingness to apply your knowledge, expertise, photographic vision on the inherent beauty, courage, dignity, and grace of displaced people as well as it also captures the on-the-ground realities that migrant populations face. Your remarks conveyed new information and insights to our faculty, students, staff, and the general public.

We hope you enjoyed your experience and visit to the School of Public Health. We look forward to future opportunities to collaborate with you and Huang Menders Meridian.

Sincerely,

Alyson Lofthouse, MUPP
Assistant Dean for Global Health
School of Public Health
University of Illinois Chicago
